

A woman with brown hair, wearing a light blue polo shirt and blue jeans, sits on a blue and white patterned blanket on a grassy lawn. She is reading a book to two children. To her left, a young girl with long brown hair, wearing a pink shirt and pink pants, leans in to look at the book. To her right, a young boy with blonde hair and glasses, wearing a blue long-sleeved shirt and black shorts, also looks at the book. In the background, a large, modern library building with a white facade and a green metal roof structure is visible. The building has large windows and is surrounded by lush greenery, including several palm trees and other tropical plants. A paved walkway and a green bench are also visible in the mid-ground. The sky is clear and blue.

The perfect way to enjoy a fairytale is with warm breezes, soft green grass, and the backdrop of the new Main Library overlooking Clearwater Harbor. The 90,000-square-foot facility opens this spring.
