

Marine and Aviation

- Renovated Pier 60 with new store layout allowing easier access to store and increasing revenues from Pier 60 operations. New business plan drafted.
- With beach safety a priority, held Second Annual Ocean Mile Swim, initiated junior lifeguard program, improved lifeguard-training standards, and purchased watercraft.
- Transitioned the Sailing Center management to a nonprofit corporation, saving the city \$115,000 in personnel costs.
- Completed master plan update to resolve long-term land uses of Airpark and adjoining properties.
- Completed a new fuel farm and the first corporate hangar.
- Hosted the 2003 Access Dinghy North American Championship and International Regatta at the Clearwater Community Sailing Center with people of all ages and abilities participating. Installed a temporary ADA floating dock and automatic lift for gangway.
- Enhanced security at all facilities.
- Continued to host Make A Difference Fishing Tournament.
