- Launched innovative programming at the new Main Library, including Films on the Bluff, featuring award-winning independent and foreign films, Authors LIVE! @ the library, the Florida Homes and Gardens series, and *Circulo de Lectura*, a Spanish-language book group.
- Exhibited award-winning art by Pinellas County students and works from the internationally recognized Asian Elephant Art and Conservation Project at the Main Library's Grand Opening.
- Expanded public access to technology with 64 new public use computers at the Main Library.
- Facilitated 97,888 computer users at Clearwater Public Library System locations.
- Forty-five children participated in the nationwide Read Across America program's "Seussentennial," the Dr. Seuss 100th anniversary celebration, at the North Greenwood Library, which included stories, crafts, games, refreshments and a visit from the Cat in the Hat.

The Countryside Library's butterfly garden is the perfect place to learn all about flowers. The Clearwater Public Library System and the Parks & Recreation Department partnered with the Pinellas County Cooperative Extension to install 1,500 environmentally friendly plants, transforming the Countryside Branch grounds into a lush Florida native plant exhibit area.
