Police Department

- Awarded $249,935 of grant funding to provide additional Homeland Security training for officers.
- Managed $1.7 million in active grants for enhanced technology, victims of crime, violent crime and drug control, homeland security, youth and alcohol, equipment acquisition and "Operation Apoyo Hispano."
- Expanded "Project Sentinel" to provide a series of public programs on the identification of anti-terrorism activities.
- Expanded participation in the Clearwater 2004 Neighborhoods Conference, providing funding, community policing officers, and staff presentations.
- Expanded volunteer program staffing to 76 persons and implemented a Homeland Security component.
- Reaccredited by the Commission for Florida Law Enforcement Accreditation; honored as an industry leader in law enforcement.
- Recognized by 2-1-1 Tampa Bay Cares, Inc. for the Police Homeless Outreach Program telephone hotline.

In partnership with the Clearwater Police Department, the Clearwater Homeless Intervention Project (CHIP) has worked since 1998 to end homelessness one person at a time. The CHIP program offers services and social tools that foster life changes for independence, employment, and permanent housing. In 2003, 1,364 people took advantage of CHIP services.
