

CLEARWATER HISTORY TIDBIT

The “rickety bridge” was the original connection from the mainland to Clearwater Beach. In 1912, cars could travel only 12 miles per hour across the old bridge. In 1927, it was modernized with a new drawbridge allowing boats to pass. It then gave way to the Memorial Causeway drawbridge, and now proudly standing in its place is a \$60-million high-span bridge, combining elegance and safety for residents and beachgoers.

FISHING

Good Fishing from July 11-15 and 20-22, with the best fishing July 16-19

CONSERVATION TIP

Check your outdoor sprinkler system frequently and adjust sprinklers so only your lawn is watered, not the house, sidewalk, or street. Be sure you are complying with watering restrictions. When hand-washing your car, use a hose with a shutoff nozzle so you aren't wasting water while washing your vehicle.
