Appendix F-Primary Trails Priority List

Trail Name	Description	Length (in miles)	Previously Identified	Right-of-Way	Connectivity	Cost Estimate	Benefit-Cost Index	Cummulative Cost	
Bayshore Connection	This Trail segment will connect the Clearwater East West Trail to the Courtney Campbell Causeway Trail along Bayshore Drive.	0.82	Yes	Yes	Yes	$1,100,000	2.73		
East-West Trail: Memorial Causeway	The Memorial Causeway Trail is part of the East-West Trail. It will connect downtown to Clearwater Beach. Appromately 5,000 people per week presently use this inadequate facility.	1.70	Yes	Yes	Yes	$2,000,000	1.50	$3,100,000	
Pinellas Trail - East Avenue	The Pinellas Trail was constructed throughout Pinellas County. In the downtown core, the typical trail cross section was abandoned and a sidewalk was constructed in its place. While this sidewalk serves as the Pinellas Trail in downtown Clearwater, it is not the most appropriate design for trail users.	0.59	Yes	Yes	Yes	$2,200,000	1.36	$5,300,000	
East-West Trail: Druid Trail	The Druid Trail, a segment of the East-West Trail, will connect the Progress Energy Trail to the Pinellas Trail in the right-of-way of Druid Road.	4.00	Yes	Yes	Yes	5,600,000	0.54	$10,900,000	
Courtney Campbell Causeway Trail	The Courtney Campbell Causeway was designated as a Florida Scenic Highway in 2005. This highway corridor is home to many scenic, natural, and recreational resources. However, there is presently no facility for non-motorized uses.	5.5 (both north and south sides	Yes	Yes	Yes	$8,000,000	0.38	$18,900,000	
								$0	

Estimates are based on 2006 costs.
