

Beautification Projects

 Clubs, Groups and Organizations 

  Outdoor service projects available  
Monday – Saturday

Is your group or organization looking for a way to get involved in the local community?

Do they enjoy going outdoors for a change of scenery?

Would they like to impact the beauty and safety of our parks and beaches?

If you answered yes to any of these questions, we can help you! The City of Clearwater Parks and Recreation Department would like to invite your organization to partner with us for a beautification project.

Dates, locations and project types are flexible. The City provides coordination, staff supervision, hydration, supplies and all tools needed for the project. Your organization is welcome to do a one time project, multiple projects throughout the year or even try our new Adopt-A-Park Program.

To schedule a project for your group or for more information please contact **Karen Maldonado**, Volunteer Coordinator at 727-562-4803 or by e-mail at karen.maldonado@myclearwater.com.
